Sit and stop here for a while to think over the questions you have been asking about the road your life is on. Read this piece of wisdom from God's book, the Bible:

*'Trust God from the bottom of your heart; don't try to figure out everything on your own. Listen for God's voice in everything you do, everywhere you go; he's the one who will keep you on track.'*

If you want help with your life's direction, ask God now for help. Talk to someone at this prayer space or take away something to read.
