

God the Maker Made the World

To the tune of 'London Bridge is Falling Down'

Verse 1

Our God the maker made the world,
made the world, made the world.
God the maker made the world,
It was good!

Verse 2

God made the day and made the night,
Sun and moon, stars so bright. (emphasis)
God the maker made the world
It was good!

Verse 3

God made the sky and land and sea,
Fish and birds, flowers and trees. (emphasis)
God the maker made the world
It was good!

Verse 4

God made all creatures small and tall,
Boys and girls, insects crawl. (whisper)
God the maker made the world
It was good!

Verse 5

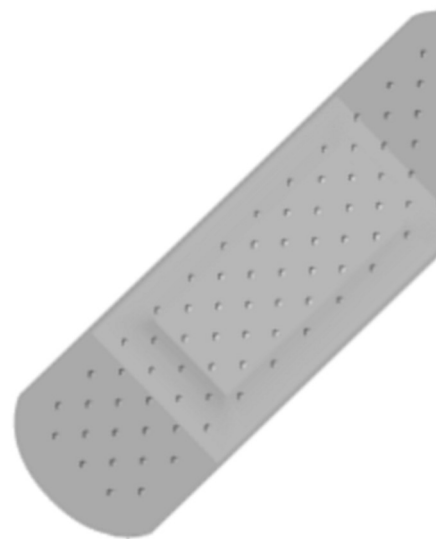

The world God made was very good,
Very good, from where he stood!
God the maker made the world
But then uh oh!

Verse 6

Uh oh the world was bro-ken
Oh how sad, it went wrong!
God the maker made the world
What will he do?

Verse 7

Uh oh the world was bro-ken
But it's okay, just hang on!
God the maker made the world
And came to fix it!
And came to fix it!
And came..... to.... **FIX IT!**
