

Lost and Found

Song Lyric

Tune: 'There's a Hole in my Bucket'

My coin it is lost,
is lost, is lost.

My coin it is lost,
I've lost my coin.

Well, find it dear friend, dear friend, dear friend,
Well, find it dear friend,
Dear friend find it.

I'm looking dear neighbour, dear neighbour, dear neighbour,
I'm looking dear neighbour,
I'm looking for it.

I've found it dear neighbour, dear neighbour, dear neighbour,
I've found it dear neighbour,
I've found my lost coin!

Hooray my dear friend, dear friend, dear friend,
Hooray my dear friend.
You've found what was lost!

My sheep she is lost,
is lost, is lost.
My sheep she is lost,
I've lost my sheep!

Well, find her dear friend, dear friend, dear friend,
Well, find her dear friend,
Dear friend find it.

I'm looking dear neighbour, dear neighbour dear neighbour,
I'm looking dear neighbour,
I'm looking for her.

I've found her dear neighbour, dear neighbour, dear neighbour,
I've found her dear neighbour,
I've found my sheep!

Hooray my dear friend, dear friend, dear friend,
Hooray my dear friend.
You've found what was lost!

My son he has left,
He's left, he's left.
My son he has left,
I've lost my son.

I'm sorry dear friend, dear friend, dear friend,
I'm sorry dear friend,
I'm sorry, he's gone.

I'm waiting dear neighbour, dear neighbour, dear neighbour,
I'm waiting dear neighbour,
For him to return.

He's come home dear neighbour, dear neighbour, dear neighbour,
He's come home dear neighbour,
My son has returned!

Hooray my dear friend, dear friend, dear friend,
Hooray my dear friend.
Your son has returned.

Let's have a party, a party, a party,
Let's have a party,
What's lost has been found!

Hip, hip hooray, hooray, hooray!
Hip, hip hooray,
What's lost has been found.

We are all lost, we're lost, we're lost,
We are all lost,
But God looks for us.
